Why the Heart?

This logo represents the Gowanda Area Chamber of Commerce and the area as "The Heart of Western New York." The heart locates the Gowanda area at the center of the region and acknowledges the dedication to community that is traditional here.

The logo appears on ads in this publication to identify the advertiser as a Chamber member. Chamber members support our community with generous contributions to school, kids' sports and the range of community projects, add to the tax base, and provide jobs. We hope you will support them in return.

M. W. Offhaus & Sons, Inc.

On January 1982 Bonnie & Merritt Offhaus, along with sons Michael and Steven and daughter Melinda formed the corporation M. W. Offhaus & Sons, Inc. which was set up to do any construction related work. In the summer was lawn work; in the winter, snowplowing.

Then we bought a dump truck and trencher for trenching gas and water lines and sewer work with local plumbers. Trucking topsoil, gravel and sand followed. We work for local electricians and many from Hamburg, Boston and Buffalo.

Today Bonnie does our bookkeeping and office work. Michael does tree work for Tree Care of New York as a crew foreman. Steven works for Lockheed Martin in Bolder, Colorado as Systems Engineer Sr. Staff. Melinda works at Wyoming Correctional Facility, Deputy Superintendent of Administration.

Special Recognition Business Award

The Teepee Bed & Breakfast

The Teepee Bed & Breakfast is owned by Phyllis Lay. She and her husband, Max, opened the business on January 1, 1985. They are both Seneca Indians and life long residents of the Cattaraugus Indian Reservation.

After extensive travel to Europe and staying at various "Gasthauses" they decided to open The Teepee B & B. In the beginning, there was little interest in the B & B and Phyllis almost closed the business. With the encouragement from her long time friend, Eve Quandt, owner of the now closed Haus Tablick, she persevered. The Teepee B & B was a thriving business for over 32 years.

The Teepee's guests stay for local events such as the Hollywood Happening, or weddings, reunions, funerals and vacations. When in 1994 the popular outdoor magazine "Field and Stream" listed our own Cattaraugus Creek as the seventh best "rivers" for steelhead trout in the world, the Teepee became a popular destination for fishermen. As the saying goes "build it and they will come" many fishermen around the world called the Teepee their second home.

Phyllis warmly greets all her guest and treats them like family. Guest come and go as they please and often remark that the Teepee is so comfortable that it feels just like home. Phyllis and Max always believed in the philosophy that guests enter as strangers and leave as friends. Many friends have come back again and again.

Max passed away 10 years ago but with help from her daughter Marty, Phyllis has been able to continue her passion. There are many memories that have been made and will be cherished for the rest of their life. It has been a terrific run, resulting in many friends around the world.

Phyllis is anxious to start another chapter by re-opening the business as The Teepee Inn on May 1st, 2019. Breakfast not included.

Community Service Award

Kiwanis Club of Gowanda

Kiwanis®

The Kiwanis Club of Gowanda was founded in 1936 and is chartered by Kiwanis International which is a service organization with thousands of chapters around the world. The Kiwanis mission both internationally and locally is to “improve the world one child and one community at a time.”

Long time Gowanda residents might recall past Kiwanis programs like International Travel logs at the high school ~ music programs such as the Marine and Navy Bands at the Hollywood Theater and Fourth of July fireworks at Hillis Field.

The current membership enjoys participating in community events such as the Spirit Parade, the Harvest Festival and Christmas in Gowanda, but more importantly endeavors to raise funds to support community activities and organizations with a focus on children. Our annual long-standing fundraisers, the spring Geranium sale and Election Day dinner, enjoy widespread and enthusiastic community support and allow us to be active in the greater Gowanda community. Annually we are major sponsors of the Gowanda Library summer reading program, the Gowanda Recreation co-ed soccer program at Gateway Park, a welcome back to school program at the Aldrich Street school and a scholarship to a graduating senior at Gowanda Central School given in memory of former member Donald Campbell. We also contribute to the summer reading program at the Collins Library, the Gowanda Food Pantry, Girls Scouts, the Gowanda Ambulance, and this year a grant for aid to eighth grade students participating in the educational field trip to Boston.

We also participate in Kiwanis projects at the state and international level. Internationally we support programs such as aid for disaster relief funds and elimination of childhood tetanus. New York State Kiwanis provides many programs such as a fight against pediatric Lyme disease and operation of a summer camp in the Adirondack for disadvantaged children.

The current membership of our club includes Lois Barefoot , Karen Diemunsch, Jim Fort, Jay Frantz, David Fraser, Jerry and Joan Greenlee , Charles Koch, Fred Kurtz MD, Aaron Markham, Mark and Barbara Nephew, Jack and Nancy Reinard, Jack and Sue Torrance, and Karen Volk.

We would like to thank the GACC for our Spirit of Gowanda recognition and all that they do to enhance our Gowanda community. Also to the many community members who offer such great support of our efforts - Thank you.

Excellence in Youth Award

Olivia Ackley

Olivia Ackley is this year's recipient of the Spirit of Gowanda's Excellence in Youth Award. Coming from a long line of Gowanda residents, she is honored to be presented this award to represent the community.

During her time in the Gowanda Central School district, Olivia has excelled in her academics, as she is in the top of her class while taking rigorous courses. Outside of the classroom, Olivia is a part of the Spanish club and is the secretary of National Honor Society. She has also found much success in athletics. She has been a part of the Gowanda volleyball team since seventh grade, Gowanda lacrosse team, has played travel soccer and is a member of an All-Star Cheerleading organization, Core Athletix. Through her love for cheerleading, she has volunteered for numerous occasions helping with the younger athletes. Aside from that, she enjoys doing community service projects with National Honor Society directly in the Gowanda Community, such as volunteering at Christmas in Gowanda. Though going above and beyond in her extracurricular activities and academics, Olivia is always humble about her successes. Besides humble, Olivia can be described by her peers, teachers, family and community members as a young woman who is driven, independent, and responsible.

Olivia plans on attending Nazareth College or Daemen College in the fall to pursue a career as a physical therapist. At sporting events or academic functions, you can always find Olivia's parents, Dan and Amy Ackley, and the rest of her family there, who she would like to thank for their constant support. She would also like to thank her teachers and coaches for helping her become the strong young woman she is today. Finally, she would like to thank the entire Gowanda community for providing her with a loving home for the past seventeen years. It has shaped her into who she is today and she is honored to represent this community today, tomorrow, and far in the future.

Rehabilitation & Nursing Center

Gowanda Rehabilitation and Nursing Center wishes to express its sincere gratitude to all of those honored at this year's Spirit Dinner. Your dedication to keeping the Spirit of Gowanda alive is to be commended.

Gowanda Rehabilitation & Nursing Center understands that a core value of that Spirit is wellness; a key to staying healthy. Our organization has dedicated staff such as, a Registered Dietician, Respiratory Therapist, Speech Language Pathologist, Physical Therapists, Occupational Therapists, and Registered Nurses along with a team of Nurse Practitioners and our Medical Director, Dr. Steven Barnes to assist the community in this effort of staying healthy.

Gowanda is also proud to offer many specialties through Telemedicine. Throughout the past 8 years Telemedicine has provided residents the ability to meet with specialists such as a, Cardiologist, Wound and Infection Control Specialist, Phycologist, Psychiatrist, Urologist, Neurologist and more, all within the comfort of the facility.
