Why the Heart?

This logo represents the Gowanda Area Chamber of Commerce and the area as "The Heart of Western New York." The heart locates the Gowanda area at the center of the region and acknowledges the dedication to community that is traditional here.

The logo appears on ads in this publication to identify the advertiser as a Chamber member. Chamber members support our community with generous contributions to school, kids' sports and the range of community projects, add to the tax base, and provide jobs. We hope you will support them in return.

Community Service Award

Gowanda Recreation

Gowanda Recreation can trace its roots back to the early 1950's. A youth recreation program was held during the summer that consisted of group games plus arts & crafts. The activities were held in, and behind, the Gowanda High/Elementary School that is now the Academy Place.

Gowanda Recreation expanded their program in the 1960's to not only include a six-week summer program at St. John Park, but a Kid Wrestling tournament, the Learn to Ski Program, adult men's basketball and Saturday morning youth activities in the high school that included swimming, basketball and arts & crafts. The Friday night roller skating program for children in grades K-6 at the Gowanda Elementary School was held each year from October through April. That program still takes place during the winter months at the Academy Place.

During the late 1970's, a new state of the art play structure and the Ruth Bareham Building were erected at St. John Park. The six-week summer program had expanded and welcomed over 100 children a day. The Erie County girls' softball tournament and the Erie County Junior Olympics for track and field were the most popular events.

Gowanda Recreation has also sponsored a series of swimming programs for all ages at the Gowanda Central School pool for almost 60 years. COVID-19 and pool renovations curtailed the summer recreation swimming program over the past two years but there are plans to bring it back in 2022.

Over the past fifteen years, several new activities have been implemented by Gowanda Recreation. A spring and fall co-ed youth soccer program has been very popular. Ice skating at St. John Park under the lights has also been enjoyed by people of all ages. Additional activities include the youth flag football program and the adult softball league. Both programs sponsored by the Gowanda Recreation Department are held at Gateway Park.

Despite the recent pandemic that has wreaked havoc with many recreational programs throughout New York State, Gowanda Recreation was able to continue to provide year-round programs for all age groups with minimal disruption. And although the recreation department staff is small, with the help of volunteers and continued financial assistance from several local service organizations, the future looks very bright.

Community Service Award

Love in the Name of Christ of the Greater Gowanda Area

Love In the Name of Christ is a not-for-profit organization. In 2002 our 501c3 was formed. We moved into Tri-County Hospital, by laws were written and a board was elected. We moved into our current owned, much larger building at 15 West Main Street on Dec. 23, 2015.

Mission - To Mobilize local Churches to transform lives and communities in the Name of Christ.

Love INC enables local partnering churches in our community to coordinate their resources and services under one roof. We match clients up with partnering churches and other organizations that best fit a client's situation. We encourage them to seek counseling from not only our organization but a local minister. We

encourage and equip clients to follow through with not only a need met but a transformational life. That includes, budget class, life skill classes and following up with a life with Christ. We have a very busy transportation ministry. We have a 2nd Chance Clothing and More donation center. Love INC offers much, much more. We are supported solely by grants and community donations. Stay tuned for future progress. Jim Sanderson serves as current Executive Director.

Our food pantry helps many with food needs, and now healthy fresh options. We have moved into our new location 24 West Main Street in January of 2021, and it has proved to be beneficial with much more room. We also have expanded hours to include three days/evenings and a large food distribution on the 3rd Saturday and many pop-up bread and produce distributions days. We also deliver food to shut ins. We are supported by grants and community donations. Stay tuned for future progress. Desiree' Sanderson serves as current Director.

Excellence in Youth Award

Hayley Stang

Hayley Stang is this year's recipient of Gowanda's Excellence in Youth Award. As her roots stem from a long line of Gowanda Residents, she is extremely honored to be presented with this award to represent the community.

During her time at Gowanda Central School, Hayley has excelled in her academics, graduating 5th in her class, while taking several rigorous college and AP courses. In High School, she was President of Student Council for her Junior and Senior year, helping to spread panther pride through the school and community. She was honored to be able to be a part of National Honor Society to continue to help her community. Hayley was also team captain for the girls'

varsity swim team in her sophomore and junior year. Her appreciation for photography led her to volunteer to take pictures for the school's trap team for the past three years.

Through being chosen for the 2020 Empire Girls State she was able to learn about government, allowing her to help her community in a different way. Her drive to help propelled her to become the student board member for the Board of Education.

Outside of school she volunteered through St. Joseph Church here in Gowanda, where she alter served and aided in beautifying the community through the church's religious education program.

Starting in 2016 Hayley became a member of Cattaraugus County's Youth Court Program where she volunteered helping troubled youth. She served as Judge, Prosecution, Defense, Jury Forman, Clerk Bailiff and Jury member in various court cases.

Her love for agriculture was shown through her time in Cattaraugus County 4-H. From the young age of 4, she was a member of the Perrysburg Barn Buddies 4-H club where she served as Treasurer, Vice-President, and President for several years. She received the 2019 and 2021 All Around Sportsmanship Award along with the Girl Youth Building Exhibitor Award for her want to help others.

Hayley is attending The State University of New York at Fredonia to start off her education in Exercise Science with her main intention of becoming a Chiropractor. She is the daughter of Dan and Nicole Stang. Hayley would like to thank her parents, brother and her family for their constant love and support shaping her into a strong young woman she is today. She would also like to thank her teachers and coaches who have helped her along the way. Finally, she would like to thank the Gowanda Community and the Chamber of Commerce for this acknowledgement. She is honored to represent this community and all that it stands for.
